

The map is a detailed topographic representation of the Moravany region. It features the village of Moravany with its various buildings, including a school (šk.), a sports field (sport.), and a church (Sv. Petr a Pavel). The railway station Žst. Moravany is a prominent feature. The map also shows the surrounding landscape with contour lines, roads, and various landmarks. A red rectangle highlights a specific area near the village of Křemínky, with elevation points 223 and 250,7 marked. The map also shows the Kolárka river and the Platěnský náhon.
