Architectural drawing of the "Správa železnic, s.o." building in Brno. The drawing includes a site plan, a floor plan, and a section. The site plan shows the building's location relative to the railway tracks and the surrounding area. The floor plan shows the layout of the building, including the entrance, reception, and various offices. The section shows the building's height and the internal structure. The drawing is labeled "PŮDORYS 4.NP" (Ground Floor Plan) and includes a scale bar indicating a distance of 10m. The drawing is also labeled with the project name "Správa železnic, s.o." and the location "Brno, Kounicova 26 - I. etapa projekt".
