

Technical drawing of a railway track layout. The drawing shows a track with several segments and signal types. The signals are labeled as follows:

- Sc3a: Signal type Sc3a, located at the end of the track segment.
- Se13: Signal type Se13, located at the end of the track segment.
- V6: Signal type V6, located at the end of the track segment.
- V6b: Signal type V6b, located at the end of the track segment.

The drawing also includes a scale bar and a north arrow. The scale bar indicates distances in meters (m) and kilometers (km). The north arrow points towards the top of the drawing.
