

$\frac{3}{2}$ 

[illegible]

Technical drawing of a road layout, likely a plan view, showing a road alignment with various dimensions and annotations.

**Handwritten Notes:**

- Top right:  $L. 28B$
- Top right:  $5/5$
- Left side (vertical text):  $dalsi km vzdalen 142,41m$
- Left side (vertical text):  $stav ke dni 6.5.1978$
- Bottom left:  $5$
- Bottom right:  $L. 30B$

**Dimensions and Annotations:**

- Horizontal dimension:  $23,1$
- Horizontal dimension:  $9,0$
- Horizontal dimension:  $22,1$
- Horizontal dimension:  $7,0$
- Horizontal dimension:  $23,0$
- Horizontal dimension:  $3,4$
- Angle:  $43,8$
- Angle:  $23,1$
- Angle:  $7,0$
- Angle:  $23,0$
- Angle:  $3,4$

The drawing shows a road alignment with a dashed line indicating a proposed or planned route. The road is flanked by a hatched area on the left, possibly representing a ditch or embankment. The drawing includes various geometric lines, including straight lines, arcs, and dashed lines, representing the road's geometry and boundaries.
