

This architectural floor plan shows a building layout with various rooms and dimensions. The plan is oriented with North at the top, indicated by a compass rose. The overall dimensions are 325 units wide and 1520 units deep. The plan includes several rooms, each labeled with a number in a circle. The rooms are distributed across the plan, with some rooms having specific dimensions. The plan also shows a central corridor and a large open area at the bottom. The dimensions are given in units, likely meters, and are indicated by lines and arrows. The plan is drawn with solid lines for walls and dashed lines for openings or boundaries. The room numbers are placed inside the rooms they represent. The overall layout is rectangular, with a central corridor running horizontally. The rooms are arranged around this corridor, with some rooms having multiple entrances. The plan is a detailed technical drawing, typical of architectural plans.

REZ 2-2', 1:25

Technical drawing showing a cross-section of a reinforced concrete beam (Rez 2-2') at a scale of 1:25. The drawing includes dimensions and reinforcement details. Key dimensions shown are 250 mm (width), 1000 mm (height), and 600 mm (column diameter). The drawing also shows a section line 'A-A' and a dashed line indicating the continuation of the structure.
