**Inquiry No 32:**

There is no structure that should be preserved, is it really so? I mean structures on the site. Is there really nothing to be preserved?

**Answer:**

There are no structures that would be worth preserving at least. It is not required in the Competition. We have not discovered any structures that would be valuable enough and the technical solution of the railway station will not make it possible to preserve structures within the area.

**Inquiry No 33:**

Is this width of railway bridge include tram bridge?

**Answer:**

Tram bridge will be on the ground level and it will be separated and will be connect to station forecourt. Car bridge will be connect to area behind the station.

**Inquiry No 34:**

Will the record from site visit be available?

**Answer:**

We will do a transcription of Inquiries and Answers and will be make the video record from a tour of the Competition venue, so that area will be brought closer to those, who could not be on a tour.
