

## **EXPLANATION OF THE COMPETITION TERMS AND CONDITIONS NO. 11 – CORRECTION TO THE EXPLANATION**

Správa železnic, státní organizace, with its registered office at Dlážděná 1003/7, Prague 1, Postcode 110 00, Czech Republic, ID No.: 709 94 234 (the "**Contracting Authority**"), commenced a procurement procedure regarding the design competition entitled "**Správa železnic Headquarters**", published in the Tenders Electronic Journal under registration no. Z2020-034118 (the "**Competition**"). The Competition has been announced as an open design competition pursuant to Section 145 of Act No. 134/2016 Sb., on Public Procurement, as amended (the "**PPA**").

The Contracting Authority has received a written request for explanation of the Competition Terms and Conditions pursuant to Section 144(2) of the PPA from a prospective participant interested in participating in the Competition. The Contracting Authority hereby provides an explanation of the Competition Terms and Conditions in both Czech and English languages including the exact wording of the request for explanation of the Competition Terms and Conditions, without identification details of the prospective participant who has requested the explanation.

The Contracting Authority published its reply to the prospective participant's request below originally on 18 November 2020 as part of Explanation No. 11. The Contracting Authority published an incorrect answer in the said Explanation No. 11. The Contracting Authority hereby publishes the wording of its reply again as part of Explanation No. 11. At the same time, it makes the original Explanation No. 11 of 18 November 2020 invalid.

	<i><b>Request of the participant where the explanation was provided based on a request for explanation</b></i>	<i><b>Explanation of the Contracting Authority</b></i>
<b>1.</b>	<i>Original request:</i> What is it the trucks dimensions in length and width. We need to know that measure to provide the space for maneuvering the truck.	Delivery vehicles are presumed to be 2.5m wide and 7m long. The Contracting Authority envisages that the delivery vehicles will only go to the first underground floor only. Lower underground floors are expected to be accessed by passenger cars only – the Contracting Authority recommends designing such dimensions that will allow for access of 2.1m wide and 5m long vehicles.

**For the avoidance of any doubts, the Contracting Authority states that the provision of explanations above does not constitute a change in the Competition Terms and Conditions within the meaning of Sections 98(5) and 99 of the Public Procurement Act.**

**The Contracting Authority reminds that the current time limit for submitting competition entries has been set until 12 February 2021, 5:00 p.m. CET (Central European Time).**
