

[illegible]

Technical drawing of a building section showing two floors. The top floor (1. NP) has a height of 2,200 and a roof level of +9,300. The bottom floor (2. NP) has a height of 2,300 and a roof level of +5,470. The drawing includes structural elements like columns (C1, C2) and beams (B1, B2).

The floor plan shows a rectangular building layout with a central corridor. Key structural features and levels are indicated:

- Top Level:** +9,300 (H.H. STROPNÍ KONSTRUKCE 2.NP)
- Second Floor Level:** +9,080
- First Floor Level:** +5,900 (PODLAHA 2.NP) and +5,750 (H.H. STROPNÍ KONSTRUKCE 1.NP)
- Ground Level:** ±0,000 (PODLAHA 1.NP)
- Basement Level:** -0,100 (H.H. ZAKLADOVÉ DESKY)
- Dimensions:** Vertical dimensions of 2550 and 5000 are shown. Horizontal dimensions are indicated by dashed lines.
- Grid Lines:** Vertical grid lines are labeled A, B, and C. Horizontal grid lines are labeled 0/3 and WD.
- Structural Elements:** Shaded areas represent structural walls and columns. A central corridor is shown with a width of 5000.

This architectural section drawing illustrates the vertical structure of a building. Key features include:

- Roof Structure:** The top section shows the roof construction with a height of +9,300 and a structural level at +9,080.
- Internal Levels and Structures:**
  - Level +8,700 is marked on the left side.
  - Level +5,900 is labeled for the "PODLAHA 2.NP" (2nd floor slab).
  - Level +5,750 is labeled for the "H.H. STROPNI KONSTRUKCE 1.NP" (1st floor ceiling structure).
  - Level +5,470 is indicated on the left wall.
  - Level +5,100 is marked near the central vertical element.
- Dimensions and Vertical Spacing:**
  - A vertical dimension of 2650 is shown for the upper section.
  - Dimensions of 200, 150, and 2750 are indicated for the central vertical element.
  - Dimensions of 2150, 2300, and 2000 are shown for the lower sections.
  - Dimensions of 1250 and 3000 are shown for the rightmost section.
- Ground and Foundation Levels:**
  - Level +0,000 is labeled for the "PODLAHA 1.NP" (1st floor slab) on the left.
  - Level -0,100 is labeled for the "H.H. ZAKLADOVÉ DESKY" (foundation slab) at the bottom.
  - Level +2,050 is marked for the ground level on the right.
- Structural Elements and Labels:**
  - Labels "C02" and "C03b" are placed at the base of the left wall.
  - Label "B" is placed at the base of the central vertical element.
  - Label "A" is placed at the base of the right wall.
  - Labels "W.P." and "W.D." are placed at the bottom right corner.
