

Architectural elevation drawing of the Sokolnice - Telnice building. The drawing shows a symmetrical facade with a central entrance and a clock tower. The building features a dark, gabled roof with multiple chimneys. The facade is divided into several sections, each with different window and door arrangements. The central section has a prominent entrance with a clock tower above it. The drawing includes detailed annotations for materials, dimensions, and structural elements. The text 'Sokolnice - Telnice' is visible in the center of the drawing.

Architectural elevation drawing of a building facade, showing a gabled roof with two chimneys, a central entrance with a door and window, and a sign reading "Sokolnice - Telnice". The drawing includes various annotations, dimensions, and material codes (A, B, C, D, E, F, K, N).
