

The drawing is a technical engineering plan for a road project. It consists of a cross-section at the top and a plan view below it.

Cross-section details:

- Central Road:** A multi-lane road with a central median. The width of the road is indicated as 7.0m.
- Drainage System:** A central drainage ditch with a width of 0.20m. The ditch is flanked by sidewalks with a width of 0.20m.
- Elevations:** The top of the road is at 224.899m. The bottom of the ditch is at 220.201m. The ground level is at 220.201m.
- Structural Details:** The drawing shows the cross-section of the road, including the road surface, sidewalks, and the drainage ditch. It also shows the cross-section of the ground, including the ground level and the ground profile.

Plan View details:

- Stationing:** The plan view shows the stationing of the road, starting from 0.0 and ending at 0.67. The stationing is marked every 20.00 units.
- Curves:** The plan view shows the alignment of the road, including curves. The curve data is as follows:
 - Curve 1: P=8.63, L=50.00, R=300.00, Y=0.289, T=20.128, R=700.00
 - Curve 2: P=43.18, L=50.00, R=270.00, Y=0.276, T=19.653, R=700.00
 - Curve 3: P=13.50, L=50.00, R=270.00, Y=0.276, T=19.653, R=700.00
- Ground Profile:** The ground profile is shown as a dashed line with elevations ranging from 212.80 to 212.85.
- Structural Details:** The plan view shows the alignment of the road, including the road surface, sidewalks, and the drainage ditch. It also shows the ground profile and the ground level.
