

## **Annex P06 – Selection of basic regulations**

### **"Railway Bridges under Vyšehrad"**

**for the architectural and structural  
design of railway bridges under Vyšehrad**

## **SELECTION OF BASIC REGULATIONS CONCERNING THE TASK SPECIFICATION AND LIST OF EUROPEAN AND NATIONAL TECHNICAL REGULATIONS AND BASIC INTERNAL TECHNICAL REGULATIONS OF THE CONTRACTING AUTHORITY**

### **General**

The list of internal documents and regulations, legal regulations and technical documents is referential and its listing does not in any way relieve the Contractor from or limit its obligation to perform the Work in accordance with legal regulations and corporate internal documents and regulations, including those not included in this list.

When creating the Work, the generally binding regulations (laws and decrees) of the Czech Republic, generally binding European regulations, technical standards and internal documents and regulations issued by the Client must be respected as reference documents.

Legal regulations issued by the Client as amended shall be obtained by the Contractor at its own expense.

The Client allows the Contractor access to all its internal documents and regulations on its website:

**www.spravazeleznice.cz, section "O nás / Vnitřní předpisy / link: Dokumenty a předpisy"** (<https://www.spravazeleznice.cz/o-nas/vnitрни-předpisy-spravy-zeleznice/dokumenty-a-předpisy>)

and to type documents on the website:

<https://typdok.tudc.cz/>, link: archiv TD.

Where a document or internal regulation is publicly available, it can be downloaded. Other documents and internal regulations are provided in accordance with legal regulations subject to request submitted at the following contacts:
