The Contracting Authority received a written request from a participant in the Procurement Procedure for clarification of the Tender Documentation.

The Contracting Authority hereby provides an explanation of the Tender Documentation (Procurement Terms and Conditions) for the above-mentioned Public Contract in accordance with Section 98 of the PPA, in both Czech and English, including the exact wording of the request for explanation of the Tender Documentation without identifying the participant requesting the explanation. In the event of a discrepancy between the different language versions of the answers, the Czech version of the Contracting Authority's answers shall prevail.

	Question of the participant where the explanation was provided following a request for clarification
1.	We would like to ask, if it is possible to extend the text document for the delivery of the final design stage. Since the dialogue is getting more detailed, we see the need of an approx. extension of 5 pages. Could you please confirm that an extended delivery will be accepted?
	Explanation by the Contracting Authority
1.	The Contracting Authority states that, following a participant's enquiry, it is now possible to submit the text part of the Final Draft Design in a maximum of 20 standard pages (one language version). The participant may, but does not have to, use this extended text part. In case the participant submits more than 20 standard pages of the text part of the Final Draft Design, only the first 20 pages of the text part will be submitted to the Evaluation Committee for comparability of the text parts of the Final Draft Designs.

Unless stated otherwise, capitalised terms used in this explanation have the meanings assigned to them in the definitions in the Tender Documentation.

For the avoidance of doubt, the Contracting Authority states that the provision of the above explanation does not imply any change in the Procurement Terms and Conditions (Tender Documentation) within the meaning of Section 98(5) and Section 99 of the PPA and that the deadline for submitting the Final Draft Designs remains unaffected.

The Contracting Authority also notes that a request for clarification of the Tender Documentation (including any tender documents) may be made either by submitting a written request for explanation via the Contracting Authority's Profile or by an e-mail sent to kamila.kulhankova@havelpartners.cz. If a participant makes a separate request for information to any other person (such as a member of the preparatory team of one of the co-contracting authorities), no information will be provided.
