Rn. 37589/2024-SŽ-GŘ-O3

Dear Sir/Madam,

We kindly request your cooperation on the market testing initiative for a project aimed at establishing a railway connection between the City of Prague and Václav Havel Airport Prague, hereinafter referred to as the Project. It is part of the connection between Prague, Václav Havel Airport Prague and Kladno, which is of strategic importance for rail transport in the Czech Republic.

The Project has been selected by the Government as a pilot railway project to evaluate the feasibility and effectiveness of a Public-Private Partnership (PPP) model for infrastructure rail projects. The Project will focus on sections from the station Praha-Vešlavín to the station Václav Havel Airport Prague and the rounding back to the main track in the direction of Kladno and Hostivice.

The objective of this market sounding is to inform you about the Project and get your input and potential concerns. Your contribution will play a significant role in shaping the Project and identifying potential partners for future collaboration. The tendering procedure is expected to commence with pre-qualification by the end of 2024.

We have provided materials that include a description of the Project scope and a questionnaire. The official documents are in English, the Czech translation is a machine translation. We would greatly appreciate if you could fill out the survey and return it by 27<sup>th</sup> June 2024. Please send us your reaction to the following e-mail addresses: [ppp@spravazeleznic.cz](mailto:ppp@spravazeleznic.cz); [kkomarkova@deloittece.com](mailto:kkomarkova@deloittece.com); [JanecekM@ebrd.com](mailto:JanecekM@ebrd.com). You are welcome to answer the questions either in English or in Czech.

We value your time and effort, and sincerely appreciate your participation in this initiative.

Should you have any questions or require further information, please do not hesitate to contact us.

Yours sincerely,

Mojmír Nejezchleb
